PROBLEM STATEMENT

PROITBRIDGE
Strive For Better Future

COMPANY SELLS

Laptop

Printers

Other Electronic Devices

PROITBRIDGE
Strive For Better Future

RESELLERS

Company sells products through Amazon, Flipkart,.....etc

Flipkart

SALES TEAM

Sales team notices something strange:

- Some resellers are advertising products at very low prices
- Much lower than other authorized sellers

PROITBRIDGE
Strive For Better Future

Customer

Why is this laptop cheaper on that store?

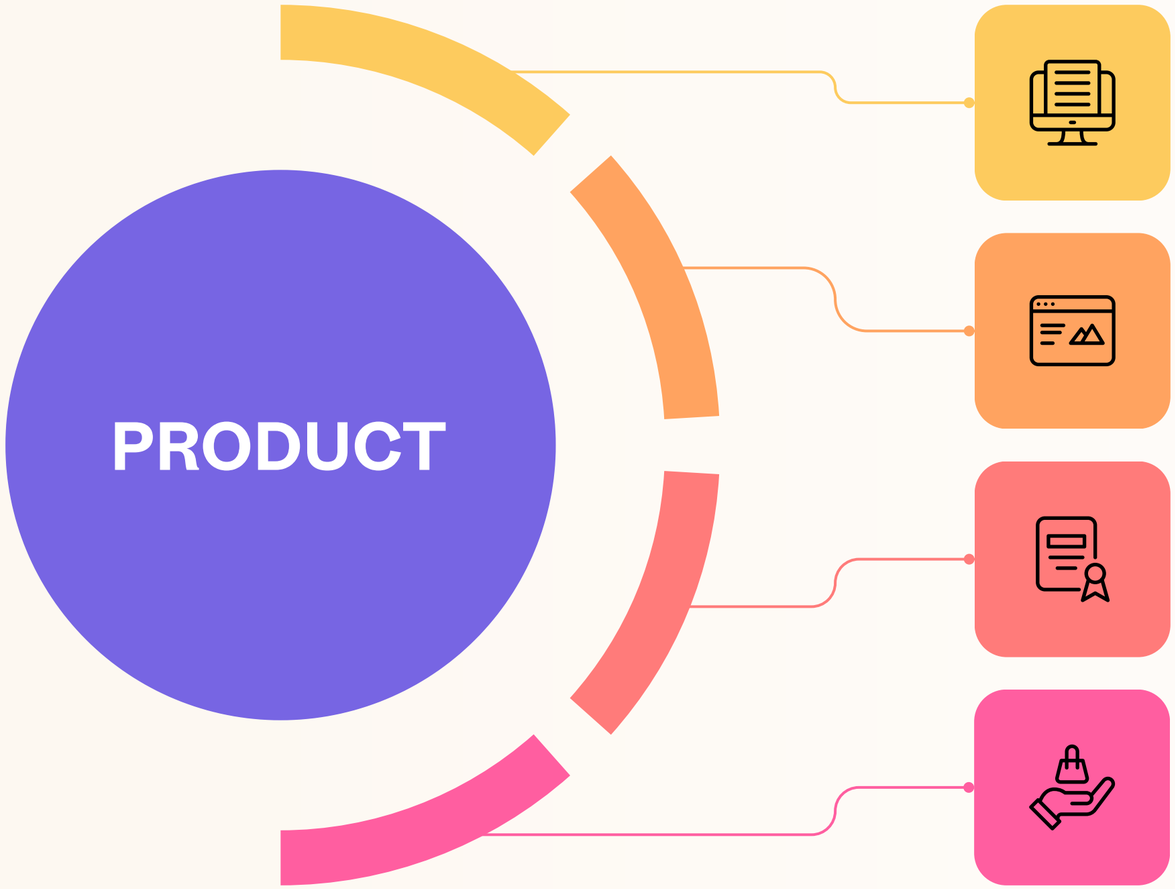

Resellers

We follow your pricing, but others are undercutting unfairly!

PROITBRIDGE
Strive For Better Future

WHY THIS IS DANGEROUS

- Brand loses its premium image
- Honest resellers feel cheated
- Prices fall uncontrollably
- Trust in pricing strategy collapses

PROITBRIDGE
Strive For Better Future

BUSINESS SOLUTION

The minimum price set by the client for each SKU.

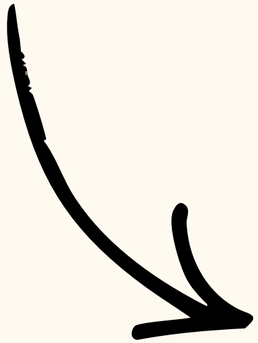

MINIMUM ADVERTISED PRICE (MAP) POLICY

RESELLERS ARE NOT ALLOWED TO ADVERTISE PRICES BELOW A CERTAIN LIMIT

PROITBRIDGE
Strive For Better Future

LOWEST POSSIBLE PRICE (LPP)

The lowest price at which products can be sold, derived from the MAP price

PROITBRIDGE
Strive For Better Future

SOUNDS SIMPLE... BUT REALITY IS NOT!

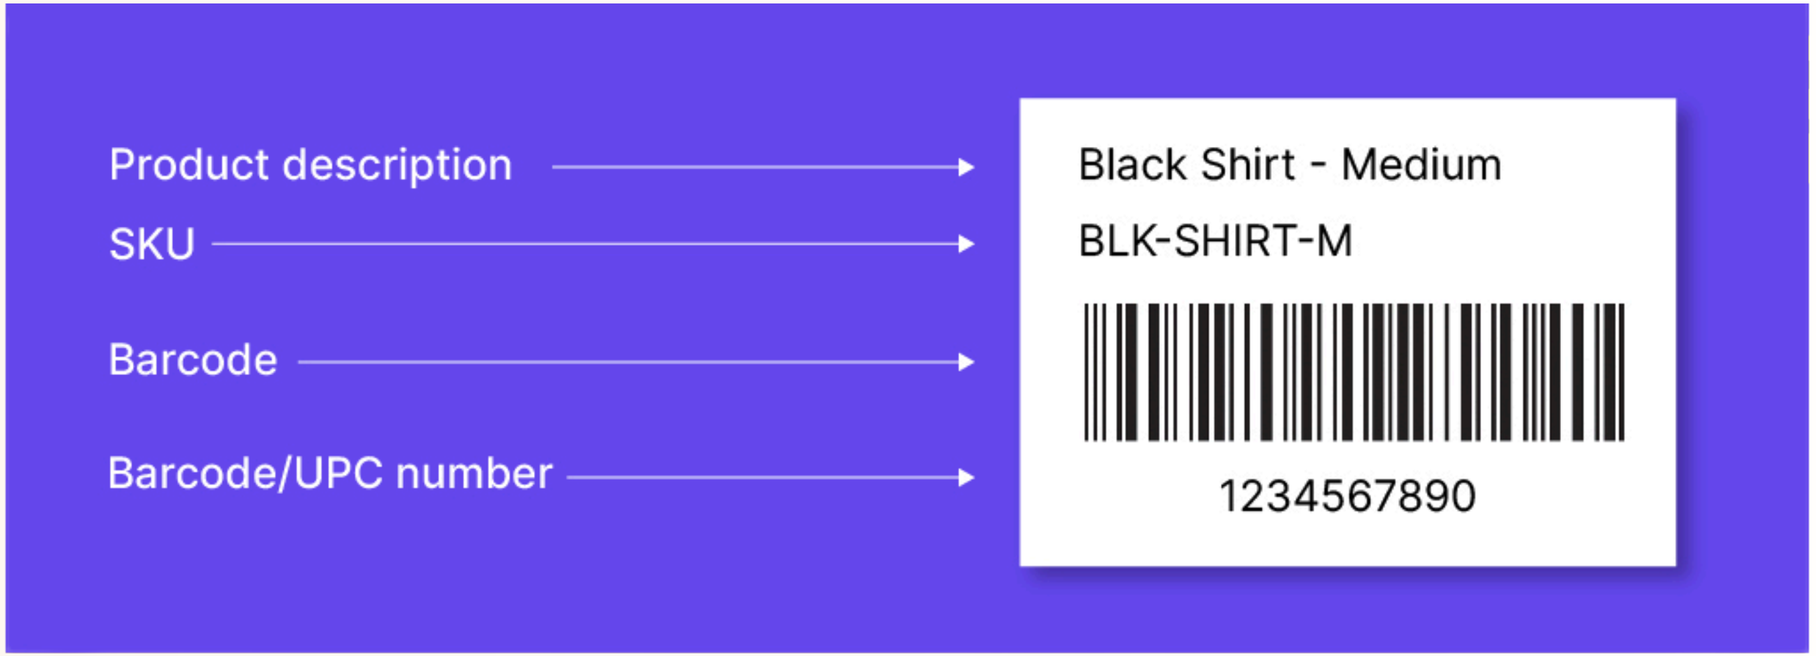

Company dealing with:

- ✓ Thousands of SKUs
- ✓ Multiple marketplaces
- ✓ Same reseller using different names
- ✓ Promotions and seasonal discounts

PROITBRIDGE
Strive For Better Future

SKU

- It is a unique identifier used to track inventory levels, sales, and prices of products.

PROITBRIDGE
Strive For Better Future

WHY MANUAL CONTROL FAILS?

One seller can appear as

- **“7-Eleven Store”**
- **“Smart Place”**
- **“QuickBuy”**

PROITBRIDGE
Strive For Better Future

HOW?

- Monitor prices across marketplaces?
- Detect violations in real time?
- Enforce MAP rules consistently?
- Handle promotions without breaking policies?

PROITBRIDGE
Strive For Better Future

PROBLEM STATEMENT

The client needs to ensure that resellers adhere to the MAP for each SKU under various categories. Minimum Advertised Price (MAP) policies are crucial for maintaining the perceived value of a brand and ensuring fair competition among resellers, Non-compliance can lead to market price erosion and brand devaluation.

PROITBRIDGE
Strive For Better Future

TASK

1

Review all provided documents and data files to understand project requirements, then design and submit a clear project architecture and plan outlining the approach.
